

Pin the Heart on the Grinch!

PART ONE

Cut out the image of the Grinch to the left. Then cut out the hearts on the next page (marked "Part Two"), and apply tape to the back. Tape the Grinch to the wall and have the children line up, each holding a heart. Each player should be blindfolded and spun around twice in a circle before "pinning" the heart as close to the Grinch's chest as possible. Whoever gets the closest wins!
