

HAPPY BIRTHDAY TO YOU!

Seuss for All Seasons!

Dr. Seuss's birthday is March 2nd, but that's not the only important day on the calendar. There's Earth Day with the Lorax on April 22nd and holiday time with the Grinch on December 25th. Plus reading can be enjoyed 365 days a year!

Each family, too, has their own special occasions to celebrate. Gather the children in a circle and ask them to talk about their favorite times of the day, week, and year.

Here are some questions
to get you started:

When is your birthday?

When is your
mom or dad's birthday?

What is the most special time
of the day for you and your family?

On what day of the week
do you have the most fun? Why?

What is your favorite holiday?

What is your favorite month?
