

Love You to Pieces

Kids can use this puzzle template to create their own puzzle for someone they love. Print out the template and have kids glue it to a piece of cardboard from an empty cereal box that is the same size as the template. Have kids draw and color a work of art to glue on to the other side of the cardboard. When the glue is dry, cut out the puzzle pieces and tuck them into a Pocketful of Love for kids to give as a special gift to someone special.
